Who are the Friends?

The Friends of Combe Down Surgery exist to support the Surgery by providing equipment, facilities and services to improve patients' experience. It was formally constituted as charity in 2005. The initial aim was to provide a minibus that could transport patients to and from the surgery but over the years it has also purchased many useful items of equipment that enable patients to be treated quickly at the surgery rather than waiting to be seen elsewhere.

The Friends raise funds through annual subscriptions, donations and by holding regular fundraising events. The four main events are our Spring, Summer, Autumn and Christmas fayres.

In addition our regular minibus drivers bring patients to and from the surgery and whilst there is no charge we welcome donations to further the activities of the Friends.

Join the Friends and you can help through your subscriptions, attending or helping at our events or joining our team of volunteer drivers

As a Friend you will receive regular newsletters keeping you informed of our activities and providing updates on the surgery
